

A gentle fingerpicking style is suggested for this wistful song. To add an introduction, consider starting with the pickup to measure 13 and playing through measure 16.

Myself and the Sea

Original Tune* - Annie Kissack - Isle of Man

Arr. Carol Walker

* This tune was originally written in E-flat major and had no chord suggestions. I've transposed it to D major, and added my own chords.

"A figure stands on the shore, alone with the huge expanse of sky,
fixing images of the Island in her head before leaving, perhaps for good."
