

The tune was simply titled "Jig," but I've taken the liberty of retitling it as "Sharon's Jig." Sharon has so completely captured the flavor of the ancient jigs that I'd be willing to bet you'd not be able to tell the difference between this modern tune and its traditional counterparts.

# Sharon's Jig 13

Original Tune - Sharon Christian - Isle of Man

Arr. Carol Walker

Capo 1

7

13

19

\* These chords are my own, as none were indicated in Sharon's version.
