This elegant waltz was used as the processional at the wedding of Laura's father and his new wife, Sheena. (See p. 74) Laura's tune was written in A, but I've transposed it to D, and kept most of her original chords. This arrangement is ready to perform as a concert piece, complete with introduction and coda. It's challenging, but I hope you will agree that the results are worth it!

Sheena's Waltz 46

Original Tune - Laura Rowles* - Isle of Man
